

CHT and GMHfH Homeownership Application Process Checklist

Thank you for your interest in the homes offered by Green Mountain Habitat for Humanity and Champlain Housing Trust! For details on this partnership, please go to www.getahome.org/habitat.

Each home that we offer through the partnership will have an application deadline. You can submit your application and complete your education NOW so that you are ready when a home that you want to purchase becomes available.

To apply for these homes, complete the following:

	Meet with a lender and receive a pre-approval letter. You must choose from the lenders listed on our website. https://www.getahome.org/sep-lenders
	Attend a Shared Equity Informational Meeting. Register at www.getahome.org/homes or by contacting us at 802-861-7373 or buyahome@getahome.org
	Attend a HomeBuyer Education (HBE) Workshop Online. This is a 7.5 hour class with a \$99 registration fee
	Attend a one-on-one counseling appointment. Once you have completed the HBE Workshop contact our Education department to schedule an appointment: education@getahome.org

Once you been deemed eligible for the Shared Equity Program

GMHfH will contact you to complete a second application and meet with their Family Selection Committee. Visit their website for more details about their eligibility qualifications: <https://vermonthabitat.org/apply-for-a-home/>
