

The State of Vermont launched the Vermont Housing Improvement Program 2.0 (VHIP 2.0) in March 2024. VHIP 2.0 is a competitive award process that provides forgivable loans up to \$50,000 to property owners who agree to create safe, affordable rental units. The flexible program offers several options to both create and rehabilitate units. Owners must match at least 20% of awarded funds and maintain the unit(s) as long-term affordable rentals.

Program Overview

- VHIP 2.0 offers 5 or 10-year 0% interest forgivable loans of up to \$50,000 per unit for repairs needed to bring vacant rental units up to Vermont Rental Housing Health Code guidelines or convert existing structures to rental units. The completed units must comply with the Vermont Rental Housing Health Code and local ordinances, and all applicable NFPA Life Safety Code Standards and applicable Certificate of Occupancy requirements. Award amounts are based on the number of bedrooms:
 - Up to \$30,000 for the rehabilitation of each 0-2 bedroom unit
 - Up to \$50,000 for the rehabilitation of each 3+ bedroom unit or to convert existing structures to rental units
- For structural elements affecting multiple units, applicants can apply for \$50,000 per property and must identify one unit in the building to carry the Forgivable Loan Agreement.
- **VHIP 2.0 funds are disbursed on a reimbursement basis at certain points during the project, so you will need to have the capital upfront to cover project expenses until you receive reimbursement.**
- The Property Owner must sign a Forgivable Loan Agreement outlining that the unit will be rented at or below HUD Fair Market Rents (FMR) for the appropriate county (published annually), or at a rate allowed by a recognized housing assistance agency for the compliance period. Five-year loans also require placing tenants through a homeless service organization or USCRI refugee program, or other DHCD-approved agency.
- The Property Owner must be current on their property taxes and mortgage payments to be eligible for the program.
- The Property Owner is required to contribute at least a 20% match of the award prior to the first disbursement. An “in-kind” match or deferred match timeline may be approved at the discretion of the Homeownership Center overseeing project management.
- Pre-approval is available to aid with financing. Required State/ local permits must be obtained before final approval.
- Project scope may be reviewed and altered if the property is on or eligible for the State or National Historic Registry.
- The Property Owner will fill out a recertification form annually to show they are complying with program requirements. This will include providing contact information and lease copies.
- **Applicants MUST be able to complete the project within 18 months of signing the Forgivable Loan Agreement.**
- **Fire and safety inspections are required for approval and all fire, housing, and health code violations identified in occupied units and common areas must be corrected by law and owners are subject to fines and penalties if they are not. It is always the Divisions of Fire Safety’s goal to work with tenants and landlords to gain compliance through the education process. Applicants are encouraged to discuss their project with their local HOC before scheduling an inspection.**

Tenant Selection Parameters

- Property Owner must accept paper applications in areas with limited internet access
- Cannot charge upfront more than first month's rent and a security deposit
- Must accept credit scores of 500 and above
- Property Owner must cover the expense of any credit or background checks
